Dear Sir,

Thank You Very Much for a power packed training session, your nice hospitality and wonderful follow-ups. I really admire with you & your teams for untiring & dedicated efforts, thorough knowledge and down to earth simplicity.

Hope to get some opportunity to meet you again.

Regards,

M K Ojha

Any Specific Feedback for Improvement of the Program on above Topics:

1. Can we like introduce a real time problem,
2. not solved before, and imply lean
3. and 6 sigma and do the theoretical
4. Simultaneously then? Just a suggestion!!
5. Liked the training!!
- 6.

Any Specific Feedback for Improvement of the Program on above Topics:

1. Very well-designed rigorous and informative program.
2. Day 3 agenda was crowded, bit difficult to follow (Too fast-paced).
3. Infrastructure arrangements were very satisfactory.
4. Excellent faculty for delivery of program.
- 5.
- 6.
