

7th Batch of Executive Programme in Management (Specialisation in Marketing & HRM)

Alternate Weekend Program for Working Professionals at PUNE
August 2010 - May 2011

Continuing Education Programme (CEP)
IIT Bombay

INDIAN INSTITUTE OF TECHNOLOGY, BOMBAY

Indian Institute of Technology, Bombay (IIT Bombay)

IIT Bombay set up by an Act of Parliament, was established in 1958, at Powai, a northern suburb of Mumbai. Today the Institute is recognized as one of the centers of academic excellence in the country. Over the years, the dynamic progress at IIT Bombay in all academic and research activities, and a parallel improvement in facilities and infrastructure, has kept the institute on par with the best institutions in the world. About 20 percent of its graduates and post-graduates are entrepreneurs—many of them first generation. (<http://www.iitb.ac.in/>)

Shailesh J Mehta School of Management (SJM SOM)

IIT Bombay established its management school in 1995 to promote interdisciplinary learning and to keep up with the changing environment and with the objective of transforming professionals to "Renaissance Leaders" of tomorrow. In the year 2000, the school was renamed as Shailesh J Mehta School of Management, in honor of Dr. Shailesh J. Mehta, a distinguished alumnus of IIT Bombay and a generous contributor to the school. SJM SOM already leads the way in preparing its Graduates to respond to the new challenges by drawing on the varied intellectual resources of IIT Bombay and providing an outstanding and innovative program in management education. (<http://www.som.iitb.ac.in/>)

Continuing Education and Quality Improvement Programme at IIT Bombay

With the rapid pace of growth in technological knowledge and frequent paradigm shifts in technology, Continuing Education of working professionals in industry is a vital need. Continuing Education Programmes are being conducted all over the country and abroad. In addition to regular short term programmes, CE&QIP also conducts intensive courses on selected topics leading to a certificate on successful completion and evaluation.

7th Batch of Executive Program in Management

7th batch of **Executive Program in Management** will be conducted by Shailesh J Mehta School of Management (SJM SOM), IITBombay, faculty in PUNE. This programme is being coordinated by Prof. S.Bhargava, Prof Dinesh Sharma and Prof Ashish Pande of SJM SOM, IIT Bombay.

During last 6 batches, this programme was well received by the executives and managers working in different kinds of organizations, viz. government, private and family managed businesses in Mumbai and Delhi.

Marketing function and management of people in any kind of business are increasingly becoming important today to build and maintain the sustainable competitive advantage. Contemporary businesses scenario demands to have pace with the fast changing business scenario, which in turn requires more competent professionals with a broader base of skills and expertise in the field of Marketing and People Management. Successful business leaders in the corporate world have realized it and are applying all possible strategies to hone up the business development skills of people, who can bring the creative and innovative edge to the business.

This program has been exclusively designed to meet the emerging needs and includes topics that bridge the existing gap and facilitate easy transition to the required platform for success. Proposed Certificate Programme in Management with specialization in Marketing and Managing People is an endeavor to provide an opportunity to the working professionals to get an in-depth orientation and exposure of management through the faculty of repute.

Issues Addressed through the Programme

This programme seeks to address a set of issues as stated below:

- Address the emerging paradigms in the field of Management.
- An emphasis on current concepts and applications.
- A focus on those skills most needed by Marketing and HR people today: Analytical reasoning, effective communication and teamwork.
- An integration of information management system applications within the curriculum.
- A blend of topics addressing conventional Marketing and People Management with a focus on the requirements of modern businesses.

Programme Duration

This programme coordinated by CEP, IIT Bombay will be held during Aug 2010 - May 2011 at PUNE city. Classes are proposed to be held on **every alternate weekend (Saturdays and Sundays)**. Total number of program days will be around 37 days over 19 weekends in a year. Classes will be held on Saturdays (afternoons) and Sundays.

Target Participants

Through this programme, an attempt is being made to impart high quality education to the professionals, who are interested in building their career and business by acquiring a superior competency in the area of Management. Executives, who have some experience and assumed or aspire to assume higher responsibilities at the managerial level, will benefit from the proposed programme. It will be useful to *graduates working in private organizations, government, public sector firms, entrepreneurs, and managers of family managed businesses.*

Pedagogy and Programme Faculty

The programme pedagogy will involve use of case studies, lecture-cum-discussions, video / film discussions etc. Prof. S. Bhargava, Prof. Dinesh Sharma and Prof. Ashish Pande of SJM SOM, IIT Bombay will be the programme coordinators and key teaching faculty for this programme. The programme will include other faculty members from IIT Bombay, leading experts from industry and academia.

Programme Fee

Total fees for the programme will be Ninety six thousand nine hundred rupees (Rs.96, 900/-) only. Each participant is required to pay the total fee by a crossed demand draft drawn in favour of "THE REGISTRAR, IIT BOMBAY (CEP ACCOUNT)" and payable at Mumbai. The payment is to be made on or before 21st Aug, 2010. This fee includes the course material to be given to the participants.

Award of Certificate

For successful completion of the programme, all participants will have to appear for a comprehensive examination at the end of the programme. Each participant will be awarded a certificate of completion by CEP, IIT Bombay on successful completion of the programme.
