IITB Optiver Doctoral (Ph.D.) Fellowship

IIT Bombay - AI INNOVATION LAB

Ph.D. Fellowship
The Lab supports highly motivated Ph.D. students. The Ph.D. students will receive competitive monthly fellowship and an annual research grant to cover research related expenses.

The Benefits
1. **Funding**
   The fellowship covers tuition, research related expenses, and living costs
2. **Annual Research Grants**
   To cover research related expenses and conference travel.
3. **Professional Development**
   Access to workshops, seminars, and support from industry leaders.
4. **Mentorship**
   Guidance from experienced faculty members and industry professionals

Applications without research proposal will not be considered.

The Doctoral (Ph.D.) Programme details and information about Research Areas of the lab are available at https://www.som.iitb.ac.in/aibfsi/optiverlab.html

The candidates who submitted the application under any other admission category may opt for the fellowship if they plan to pursue the thesis in the areas of interest to the Lab. They may indicate their interest in the fellowship at the time of admission interview if they are shortlisted
